Defensive players stop the Wheaton offense with a thud.

Steve Mathias, senior half-back on the Millikin team is the team's Most Valuable Player for 1966. He was the third Millikin Player to break the 1000yard rushing mark during the four years and as a result of these accomplishments was given Honorable Mention in the NAIA All-American ratings. Tonto also was named halfback on both the CCI All-Conference Team and the All-District 20.

Big Blue offensive players charge out of the line at the snap of the ball.

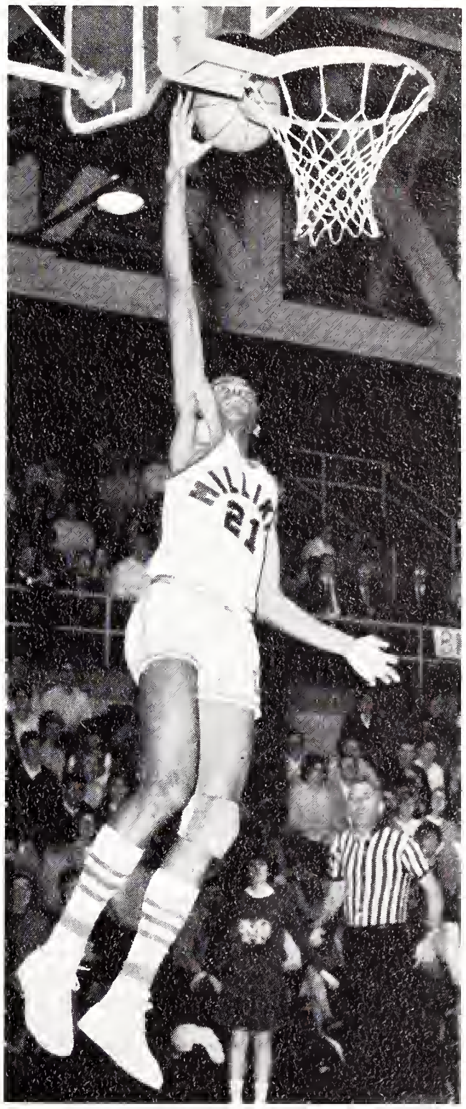
BASKETBALL TEAM

Fast games loaded with action and high scoring are exciting for Big Blue fans.

Breaking both the CCI Conference and the Millikin record, Jack Sunderlik scored 62 points and made 26 field goals in one game. He is the leading scorer in the CCI Conference for the season.

1966-1967 was a record-breaking year for the Big Blue on the basketball court. The team broke the Conference record by scoring 133 points in one game and by making 55 field goals in one game. Eight times the team scored over 100 points. Through teamwork, leadership, and individual achievements it was a real record-breaking year.



Sophomore Jesse Price is the leading CCI Conference Rebounder this year. When still a freshman Jesse was named to the NAIA All-American Honorable Mention team and was named the outstanding basketball player on the John MacWherter trophy.

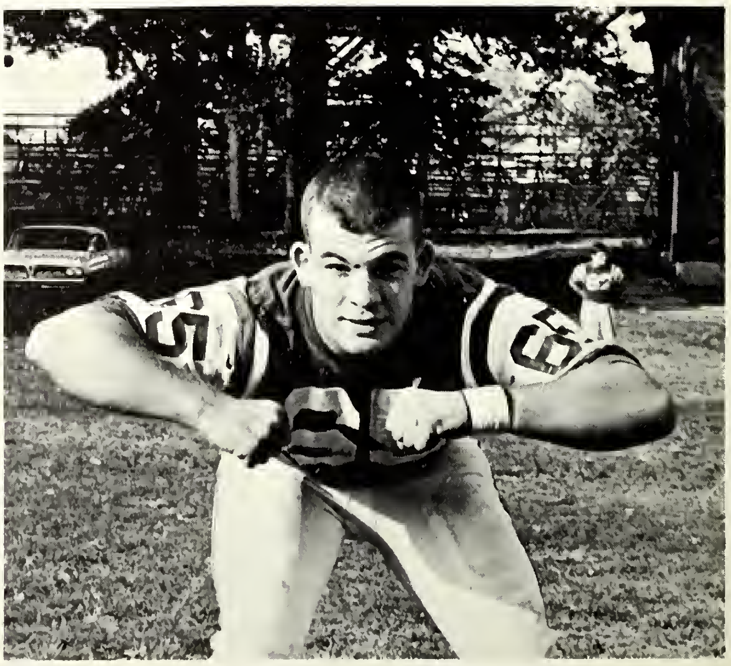
Dennis and his wife Teresa are both Millikin students. He has a double major in biology and physical education and plans to coach high school athletics. "Wink" is also considering a career in professional football.

DENNIS WINKLER
M MAN

The 67 Millidek is proud to honor Dennis Winkler as M MAN on the basis of his continued outstanding contributions as a student and athlete during four years at Millikin. Considered a real team leader and a true team player, "Wink" has shown himself to be worthy of the honor of M MAN.

As a track man, Dennis is a leading conference javelin thrower. A three-year track letterman at Millikin, he was named fourth as a sophomore and second as a junior in the CCI Conference javelin throwing event.



A starting guard for the Big Blue for four years, Dennis is a four year letterman and a tri-captain of the team as a senior. His team-mates chose him as Most Valuable Lineman in 1966 and when only a junior Dennis was named to the NAIA All-District 20 team.

BLAZER GIRL- Sally Holmer is the only senior woman to be awarded a blazer for continued activity in women's athletics in 1966.

WOMEN'S ATHLETIC ASSOCIATION

WOMEN'S INTRAMURALS MANAGERS - team managers for women's intramurals competition - S. Attig, C. Squires, S. Jacobus, J. Updike.

Intramurals basketball games like this one between two men's dorms are fast and furious.

Fun in team sports comes through intramurals

Nearby Eldorado Bowl is the setting for intramurals bowling contests.

This Delta Sig bowling team is practicing for the intramurals tournament.

MILLIKIN QUARTERBACK CLUB - in 1966 H. Ray Myers, a member of the Quarterback Club, presented Millikin University with a unique trophy. The trophy allows outstanding athletes in the seven sports to be honored each year by having their names engraved on plaques. The trophy may be seen in the University Athletic Trophy Case.

Congratulations to Millikin University Class of 1967

From the DECATUR ASSOCIATION OF COMMERCE

Moving forward and developing the future...that is the aim of the Decatur Association of Commerce.

Now, a new period in your life has arrived where you must have the same aim.

In your undergraduate days at Millikin University you have witnessed the growth and prosperity of Decatur. This has not come about by accident but by planned programs of action developed by the association of Commerce in cooperation with governmental bodies, service clubs, and civic organizations.

Your future cannot depend on accident either, but by a planned program of action and development on your part. When you have embarked on your career, perhaps you, through association with the Chamber of Commerce wherever you are, also may help in the development of your community.

The Association of Commerce wishes you the greatest success.

An education makes the difference

For over 75 years, the Citizen National Bank has been serving the Decatur community... home of Millikin University. Since the inception of Millikin the Citizens has, because of its recognition of the necessity of university training for the youth of the community, enthusiastically supported Millikin University, as an integral part of the community.

Your education at Millikin University will stand you in good stead as you enter the stream of life ... for education does make the difference.

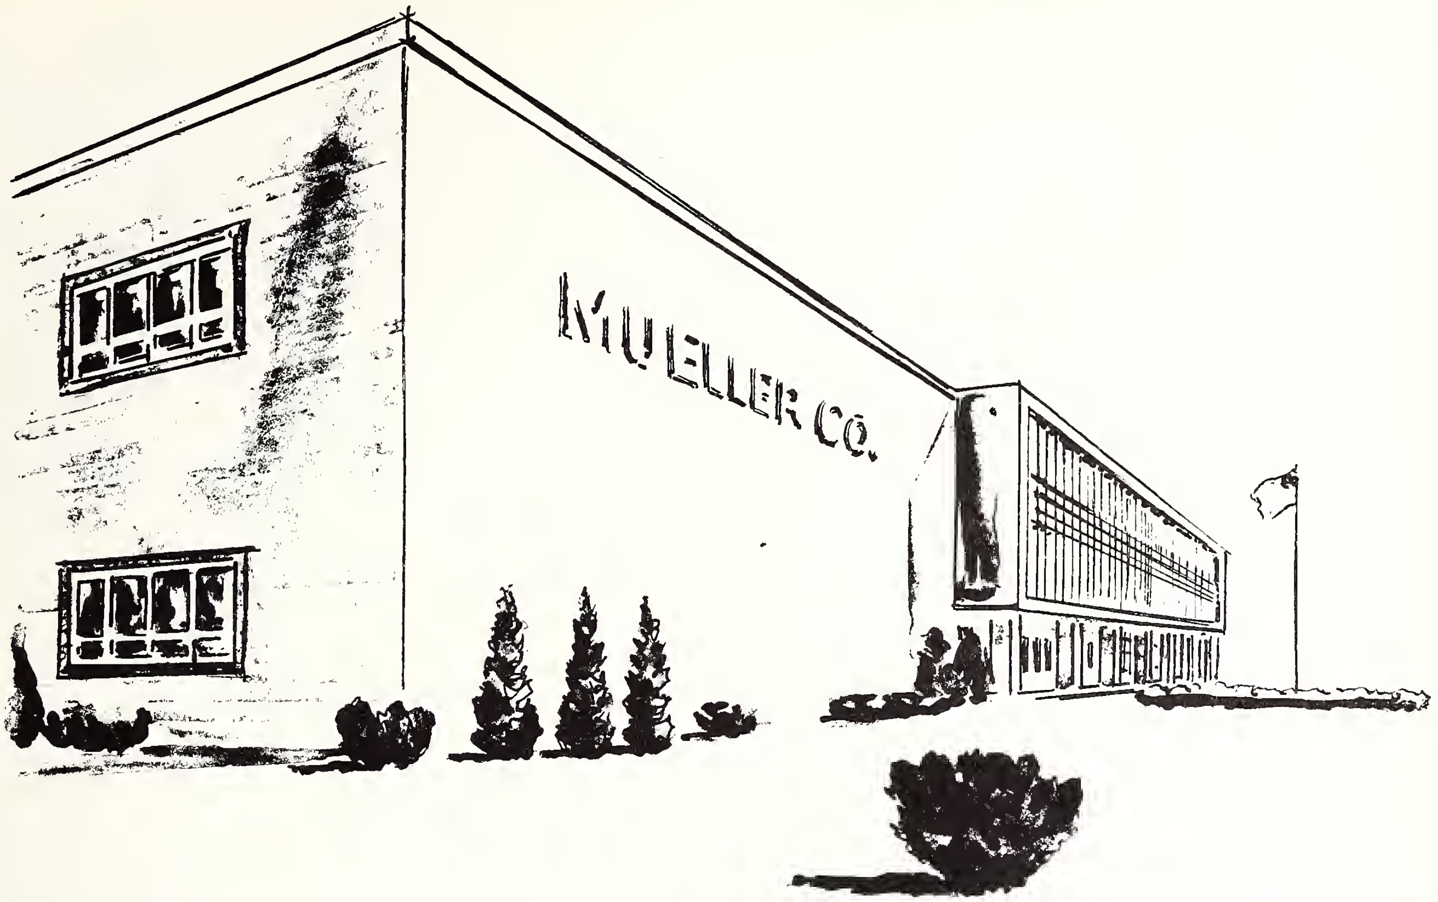
Sorry, but Millikin offers no modeling courses.



AT MUELLER CO....

...we have always been proud of Millikin University, its graduates and its contributions to the Decatur community. As part of this community, we help support Millikin's growth and progress through grants to the school and scholarships to deserving students. At the same time, a number of Millikin alumni are making major contributions to the success and growth of Mueller Co. as members of our field sales organization or as middle management personnel.

This growth and success of Mueller Co. started in 1857, and today it has six plants in the United States and Canada. It is recognized as a leading manufacturer of iron and brass products for the distribution and control of water and natural gas—two of the basic industries so vital to the health, security and prosperity of this country.

Congratulations, Graduates of 1967

We're never too busy to stand up and sing our school song, we just wish you'd learn the words.

The end of the beginning!

A lot of work goes into earning a diploma. Your name on one indicates a measure of achievement of which you can feel proud.

But a diploma is only a milestone—a measurement of what you *have* done.

Now... how about doing something with it?

For example, what are your plans for furthering your education?

If that isn't possible, then how about looking for a job with a company for whom you can work as beneficially as you worked for your diploma?

Personal effort is the essence of success—the key to your progress. That precious piece of paper you receive graduation day can help you unlock a bright future—as bright as you strive to make it.

May your future be a fine one!
